

OXMOOR VENEER

With its rich Merlot Cherry finish and expertly appointed details, Oxmoor makes a most impressive statement. Each item in the collection is a finely tuned balance of design and function. The eye is quick to notice the solid wood, fluted pilasters and the elegant madrone burl accents. Functional details are equally important with strategically located grommets for efficient cable management, easily accessible fully extending drawers and pull-out writing boards that conveniently expand work surfaces.

Tops

Tops are constructed of wood and veneer on wood product. Top surfaces are detailed with decorative cherry inlay veneer and walnut banding. All top surfaces feature a durable UV finish resistant to stains, mars and scratches.

Construction

Constructed of wood and wood veneers, featuring solid wood bases, shaped mouldings and pilasters.

Cases feature mortise and tenon construction with wood cleats, glue, screws, staples, and threaded inserts with bolts.

Drawers

Drawers have solid wood sides and backs with veneer and veneer banded fronts and 3-ply veneer bottoms. Drawer interiors are sealed.

All drawers feature dovetail construction and are suspended on fully extending, metal, ball-bearing slides.

Locking pedestals are all keyed the same. If you need specific items keyed differently, please contact your customer service representative.

File Drawers

File drawers are fully extending and are equipped with metal file system for letter or legal hanging file folders.

Adjustable Levelers

All desks, credenzas, and file cabinets have adjustable levelers.

Specifications subject to change without notice.
