

GOVERNORS LAMINATE

Traditional integrity is inherent in the attention to detail with our Governors series, and with an expansive line offering in an Engraved Executive Mahogany finish, Governors provides solutions to any office environment. Solid wood mouldings and bases, mitred edges and swinging bail drawer pulls are true indications of traditional styling. Desks feature pull-out writing shelves for extra work surface area. Central locking conveniently locks all drawers with the turn of a single key. The Governors collection is on our GSA schedule.

Tops

All top surfaces are high pressure laminate with veneer banded edges specifically chosen and color matched for this grouping.

Construction

Constructed of wood, medium density fiberboard, and other wood materials in an Engraved Executive Mahogany finish. Desks, credenzas, file cabinets and bookcases all have mortise and tenon, glued, stapled and screwed construction for maximum strength and durability. Bases and mouldings are solid wood.

Finish

All pieces are protected by DMI's Top Guard® finish to guard against stains and scratches.

Drawers

All drawers are French dovetailed for durability. Fully extending metal, ball bearing suspensions feature progressive action for heavy loads. Medium density fiberboard drawer fronts and edges are grained to match the beauty of the top. Filing hardware is included for front-to-back or side-to-side letter or side-to-side legal hanging files.

*Locking pedestals are all keyed the same. If you need specific items keyed differently, please contact your customer service representative.

Adjustable Levelers

All desks, file cabinets, credenzas, and secretarial units have adjustable levelers to compensate for uneven floors.

Specifications subject to change without notice.

* Items within this collection marked with an asterisk are Open Market items.
