

**WELLINGTON VENEER**

For Wellington, the perfection is in the details. Crafted from figured cherry veneers and popular solids finished in a Garnet Cherry, Wellington demands attention and adds distinction to any workspace. Brass pulls complement its traditional design. Classic details are showcased in picture framed panels, Corinthian acanthus leaf carvings, egg and dart molding, reeded pilasters, Palladian style arches and reverse diamond match veneer patterns.

**Tops**

Tops are constructed with Cherry veneers on a chip core sub straight with hardwood parts and an NC lacquer finish top coat.

**Construction**

Construction consists of Cherry veneers, wood and wood products.

**Drawers**

All drawers have finished wood interiors. All drawers are suspended on black, full extension, ball-bearing slides. All drawers are English dovetail construction.

Locking pedestals are all keyed the same. If you need specific items keyed differently, please contact your customer service representative.

**File Drawers**

All file drawers accept letter and/or legal sized hanging files. File drawers have finished wood interiors and are suspended on full extension, black, ball-bearing slides.

**Adjustable Levelers**

All desks, credenzas, and file cabinets have adjustable levelers.

Specifications subject to change without notice.
